## PERCENT OF SALES EVENT

---

Involve your audience and the community by hosting a “percent-of-sales” event benefitting Random Acts of Flowers.\* This is an excellent way to demonstrate your business’ community commitment as well as an important opportunity to introduce RAF to new patrons. RAF will work with your marketing team to create cross-promotional elements to generate sales, including targeting RAF volunteers, to further build on your support of RAF’s mission.

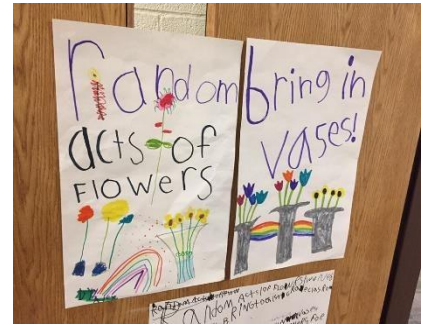

\* If you would like to include an onsite visit/event/demonstration by RAF staff and volunteers, an additional donation may be requested to cover the additional resources needed.

## VASE DRIVES

---

Random Acts of Flowers repurposes vases, reducing the impact on our landfills, by actively collecting vase donations to support our mission.

Encourage group participation in a charitable endeavor by holding a “vase drive.” Challenge your teams by setting a goal and/or asking them to include \$5 in each vase, then match the total with a tax-deductible donation.

## OPERATIONAL UNDERWRITING
